Donation slips will be given/sent to you in lieu of pick-up if "Donate" is your preference, except if you choose PayPal/Venmo payment. Offering your items at a discount will help you earn more money. Once items are pulled at the end of the sale, they **MUST** be picked up on the designated pick-up days (to be determined after the sale) or they become the property of reSALE, and may be donated. I also agree to the \$5 seller registration fee being deducted from my earnings after the sale.
